

The summary of federal funding announcements brought to you by the Office of U.S. Senator Barbara Boxer is a service that aims to advise Californians of various grant opportunities offered by federal grant-making agencies.

Since not all federal grant-making agencies list grant opportunities each month, constituents are encouraged to visit [grants.gov](http://grants.gov), the federal grants web site that allows users to electronically find and apply for current competitive grant opportunities from all 26 federal grant-making agencies. In addition, users may sign up for email updates to receive new grant postings via email as soon as they become available.

Guide deadlines and guidelines may change. Please check with the awarding agency before applying.

To receive Senator Boxer's Grants E-newsletter on a monthly basis, you may visit the [Grants Assistance section](#) of Senator Boxer's website and click to subscribe. In addition, please feel free to share this newsletter with others who may be interested.
