The Nonprofit Partnership Program, created in 2009, benefits nonprofit organizations in Solano County by promoting partnerships among community leaders, decision makers, donors, the business sector, and our local nonprofits. It provides a vehicle amid challenging times by acting as a convener of forums to gather and disperse input from the community, improving capacity-building, and strengthening, developing and serving Solano County nonprofits.

The Solano Community Foundation was established in 1995, incorporated in 2000. It is a 501c(3) organization which provides the opportunity for donors to make a lasting contribution to causes in Solano County that are close to their hearts, and to build capacity in the nonprofit community. Stephanie Wolf, President and CEO of the Solano Community Foundation, can be reached at 707-399-3846.
