LEARN THE IMPORTANCE OF FUNDRAISING REGULATIONS

FAIRFIELD – If your nonprofit is ready to fundraise, knowing the rules and regulations can promote a successful outcome.

Discover the important connection between governance and adherence to IRS fundraising regulations when Solano Community Foundation hosts its “Grankseeking, Fundraising, and Reporting” workshop on Wednesday, July 27, 2011 at 9 a.m., located at 470 Chadbourne Road in Fairfield, first floor.

This workshop will help you create a checklist of information, materials and forms required to solicit contributions legally, and to report fundraising results. Attendees will also learn how to find potential funders by using the Foundation Directory Online (FDO) to save time and money on fundraising efforts.

This workshop, presented by Connie Harris of SCF and Peter Wilson of the Benicia Vallejo Humane Society, is for Nonprofit Partnership Program members. To join, visit www.solanocf.org.

The Solano Community Foundation was established in 1995, incorporated in 2000, and is dedicated to strengthening the community now and for future generations. It is a 501c3 organization that provides the opportunity for donors to make a lasting contribution to causes in Solano County that are close to their hearts.
