THE INSIDE INFORMATION ON PREPARING A FUNDRAISING PLAN

FAIRFIELD – It’s common for nonprofits to raise funds in support of their operations and programs in a non-structured, scatter-shot manner. Although this sometimes results in contributions, a more effective solution exists.

On June 15th, Stephanie Wolf, President and CEO of Solano Community Foundation, will offer a workshop- “The Ask: Engaging your Board, Building a Donor Base” - that provides step-by-step instruction to prepare a fundraising plan.

“Nonprofits want to build a donor base and engage their Board of Directors in a role critical to the organization’s sustainability,” said Wolf, who has more than 30 years experience specializing in grantmaking and organizational development for nonprofits and foundations.

This fully-participatory training will take place at 470 Chadbourne Road, first floor meeting room and is for Nonprofit Partnership Program members. To join, visit www.solanocf.org.

The Solano Community Foundation was established in 1995, incorporated in 2000, and is dedicated to strengthening the community now and for future generations. It is a 501c3 organization that provides the opportunity for donors to make a lasting contribution to causes in Solano County that are close to their hearts.
