

The **Harry and Eleanor D. Nelson Scholarship** recognizes continued academic excellence and community service while attending high school. This generous scholarship is made possible by the Harry and Eleanor D. Nelson Vacaville Endowment Fund, a component fund of the Solano Community Foundation. A verifiable record of involvement in school and community service activities is required for consideration. For 2022, SCF will award four \$20,000 competitive "Nelson" scholarships and each is renewable over four years, made in payments of \$5,000 in the fall of each academic year.

Applicants must be a Vacaville resident and a graduating senior currently attending Vacaville High School, Will C. Wood High School, or Buckingham Charter Magnet High School. Applicants must have been enrolled at one of these schools for their entire junior and senior years. Applicants must have earned a minimum cumulative GPA of 3.5 at the time their transcript is submitted. Financial need is a consideration and must be supported by submitting a copy of the first two pages of the most recently filed tax form 1040 by a parent/guardian. The degree of financial assistance needed is determined (in part) by parent/guardian Adjusted Gross Income (AGI) amounts, along with other application information submitted by the applicant. Students accepted to (and planning to attend) a public four-year college or university in the State of California as a full-time student are eligible to receive a "Nelson" Scholarship.

2022 Scholarship Cycle

start date: 3/18/2022

end date: 4/22/2022
