

The **Grace B. Powell Vacaville High School Scholarship** recognizes sustained academic excellence and community service. For 2022, SCF will award **one \$20,000** "Powell" scholarship to a Vacaville High School class of 2022 senior, graduating with the highest academic honors. New for 2022, this scholarship is renewable over four years, made in payments of \$5,000.00 each, paid in the fall of each academic year. This generous scholarship is made possible through the Harry and Eleanor D. Nelson Vacaville Fund, a component fund of the Solano Community Foundation.

Grace B. Powell embraced the belief that students should be recognized for their exemplary academic achievement throughout high school. A Vacaville resident and long-time friend of Harry and Eleanor D. Nelson, Mrs. Powell was a former principal of Vacaville High School, a spelling bee organizer, and a community service volunteer. Mrs. Powell's memory and legacy are honored by awarding this annual scholarship in her name, as an incentive and a reward for attaining and sustaining academic excellence while involved in community service throughout high school. One recommendation letter from a teacher or community leader attesting to your academic perseverance and achievement is required, along with your official grade transcript.
